Sam Hobbs Award

Honoring Joshua Cavender as our 2021
Sam Hobbs Service Award

The Sam Hobbs Service Award was founded in 1973. The purpose of the award is to honor Sam Hobbs, the founder of the ACI chapter system and the moving force in establishing the first chapter. The award is made annually if, in the judgment of the Awards Committee, a qualified recipient is available. Members in good standing and not currently serving as an officer or director are eligible. The award is to recognize individual service to both the chapter and the concrete industry.
