

ACI CERTIFICATION

Concrete Strength Test Technician

WHEN

August 16, 18 & 23

Start time: 5:30pm

CLASS / EXAM LOCATION

Kleinfelder

620 S. Magnolia Ave, Building G

Ontario CA, 91762

The certification consists two evenings of review with hands-on experience and one evening of written and performance examinations. Please join us this year to become part of the certified technicians of standards that we strive to uphold. Experience and knowledge of concrete testing is recommended and encouraged.

ACI developed this program to elevate the standard and those procedures covered for concrete strength, ASTM C-617, C-1231, C-39 and C-78 and is now a requirement for obtaining the Certification for ACI Concrete Laboratory Testing Technician Level I.
